

ERYRI PHOTO GROUP

We are delighted to welcome

IRENE FROY, EFIAP, MPAGB, HonPAGB

At the Craig-y-Don Community Centre,
Queens Road, Llandudno, LL30 1TE

Sunday 23rd October 2011 at 2.00pm

Irene has enjoyed photography since she was a schoolgirl. A past member of Dundee, Shillington & Hitchin camera clubs, Irene chose Wellington for her retirement especially so that she could join Wrekin Arts PC. An elected member of the London Salon since 1996, Irene holds EFIAP and MPAGB as well as the prestigious J.S. Lancaster Medal (HonPAGB) awarded for exceptional service to photography. She has recently relinquished her FRPS by resigning from the RPS.

Irene has exhibited widely as well as lecturing throughout Great Britain. She is mainly a landscape photographer, but ranges from the wide to the intimate detail and is often tempted into other subjects simply by the weather conditions. Now restricted in her walking abilities due to illness, she relies heavily on her husband, Gerry, to get the car where she wants the picture!

Irene is still fired with enthusiasm and cannot imagine a life without photography. She enjoys sharing her knowledge to help others to achieve their capabilities. She is always on the look out for that creative imagination which takes a member into the higher reaches of photography and will always try to nurture it when she sees that spark of enthusiasm.

This talk is called **“PASTELS & MORE”** because Irene is well known for her pastel images and she will try to give help and tips on how the images were achieved.
